

Curriculum Vitae

Ali Motlagh

PERSONAL DATA

Date of Birth: 18 September 1975

Nationality: Iranian

Marital Status: Married

Sex: Male

Tel: +98-912- 2187187(m)

E-Mail: agmotlagh@gmail.com, agmotlagh @sbmu.ac.ir

EDUCATION

- Academic Education

1992-1999 Doctor of Medicine, Qazvin University of Medical Science, Iran

2003-2006 Specialist, Radiation (Clinical) Oncology (honored student with the second grade in Iranian Board of Radiation Oncology) Shahid Beheshti University of Medical Science, Iran

- Residency

2003-2005 Resident, Radiation Oncology, Shahid Beheshti University of Medical Science , Iran,

2005-2006 Chief Resident, Radiation Oncology, Shahid Beheshti University of Medical Science, Iran

- Post-Graduate Training

1998-1999 Internship, Qazvin University of Medical Science, Iran

2003-2006 Radiation Oncology Residency and Chief Residency, Shahid Beheshti Medical University, Iran,

2007-2008 MPH (Malignant disease field), Shahid Beheshti University of Medical Science, Iran,

- Certification

September 2007 "**Qualitative Research**" Workshop, Shahid Beheshti University of Medical Science , Iran

September 2007 "**Survival Analysis**" Workshop, Shahid Beheshti University of Medical Science , Iran

August 2007 "**Cancer Registry Program**" Workshop, Ministry of Health, Iran

August 2007 "**Health Technology Assessment**" Workshop, Shahid beheshti Medical University, Iran

September 2007 "**Endnote Software Program**" Workshop, Tehran University of Medical Science, Iran

July 2007 "**Clinical Teaching Methods**" Workshop, Shahid beheshti Medical University, Iran

Jun 2007 "**Assessment of Student Performance**" Workshop, Shahid beheshti Medical University, Iran

Jun 2007 "**SPSS Software Program**" Workshop, Tehran University of Medical Science, Iran

December 2005 "**EBM (Evidence Based Medicine)**" Workshop, Shahid beheshti Medical University, Iran

September 2002 "**Research Methods in Medical Science**" Workshop, Shahid beheshti Medical University, Iran

AWARDS AND HONORS

2010 The best article, " Health Policy: Cancer and Inequalities" 6th Annual Congress of Iranian Cancer Association, Tehran, Iran, Nov 2010

2010 Developing Nation Travel Award, 12th World Congress in Gastro-Intestinal Cancers, Barcelona, Spain, June-July 2010

2006 Honored student with the second grade in Iranian Board of Radiation Oncology

2005 Honored student with the first grade in Residency comprehensive examination of Radiation Oncology in Shahid beheshti Medical University, Iran

1999 Excellence in Research in Qazvin University of Medical Science, Iran

1992 High School Graduate with High Honor

WORK EXPERIENCE & RESPONSIBILITIES

2001- 2002	General Practitioner , Tehran Heart Center, Iran
2006 - Now	Associate Professor , Imam Hossein Hospital, Jorjani Cancer Center, Shahid Beheshti University of Medical Science, Iran
2008-2011	Head of Evaluation Committee of Radiation Oncology Residents, Shahid Beheshti University of Medical Science, Iran
2009	Founding member of Cancer Research Center of Research Institute for gastroenterology and Liver Disease, Iran
2009 - Now	Member of Steering and policy Making Committee of pain , Shahid Beheshti University of Medical Science, Iran
2009 - 2013	Member of Communication Skills Committee , Educational Development Center, Shahid Beheshti University of Medical Science, Iran
2010 - 2015	Member of Multidisciplinary Breast Clinic , Shahid Beheshti University of Medical Science, Iran
2011 - Now	Member of Steering Committee of National Cancer Research Network , Iran
2008 - 2011	Scientific Secretary of 1 st , 2 nd and 3 rd Congress on " Supportive and Palliative care in Cancer ", Tehran, Iran
2009 -2011	Scientific Secretary of 1 st , 2 nd and 3 rd Congress on " Head and Neck Cancer ", Tehran, Iran
2006 - Now	Scientific Secretary of Research Board , Cancer Research Center (CRC), Shahid Beheshti Medical University, Iran
2007 - 2008	Head of Cancer Branch , Research center for gastroenterology and Liver Disease (RCGLD), Shahid Beheshti University of Medical Science, Iran
2013 - 2023	Head of Cancer Department , Ministry of Health and Medical Education, Iran

2019 – 2023	Senior Consultant of National Cancer Control Secretariat, Ministry of Health and Medical Education, Iran
2016 - 2018	Establishment of 75 Cancer Early Detection center in Iran
2018 – 2023	Member of Technical counterpart group for cooperation with IAEA
2019 – 2023	National Counterpart for PACT project in Iran
2019	Establishment of National Cancer Control Secretariat in MOHME
2019- Now	Head of Steering Committee, Iran National Ion Therapy Center, Iran
2021 - Now	Secretary of " Iranian Radiation Oncology Society "
2023-Now	WHO-WCO Senior advisor on cancer prevention and control

CONGRESSES AND WORKSHOPS

- 2011 Scientific Secretary of 3rd International Congress on "**Supportive and Palliative care in Cancer**" and Satellite Symposium & Workshop (January 5-7, 2011, Tehran, Iran)
- 2009 Scientific Secretary of 2nd Congress on "**Supportive and Palliative care in Cancer**" and Satellite Symposium & Workshop (April 21-23, 2009, Tehran, Iran)
- 2009 Scientific Secretary of 1st Congress on "**Head and Neck Cancers**" and Satellite Symposium & Workshop (January 14-15, 2009, Tehran, Iran)
- 2008 Scientific Secretary of 1st Congress on "**Supportive and Palliative care in Cancer**" and Satellite Symposium & Workshop (April 17-18, 2008, Tehran, Iran)
- 2008 Scientific Secretary of workshop for Residents "**Supportive and Palliative Care in Cancer**" and Satellite Symposium & Workshop (February 19-20, 2008, Tehran, Iran)
- 2007 Coordinator of "**2nd International Breast cancer congress**" (February 23-25, 2007, Tehran, Iran)

EDUCATIONAL ACTIVITY

- Winter 2006 **Treatment planning in Radiotherapy**, for students of radiology (B.S), Shahid Beheshti and Iran Medical University, Iran
- Summer 2007 **Educational Program for Patients with Breast cancer**
- Winter 2006 **Qualitative evaluation of Medical students and resident in Comprehensive Examination** (Presented to Ministry of Health as a project)
- Spring 2008 **Chemotherapy Principles**, for MPH students
- Spring 2008 **Palliative in cancer patients**, for MPH students
- Spring 2008 **Supportive and Palliative care in Cancer**, workshop for Residents
- Autumn 2008 **Treatment planning in Radiotherapy**, for students of radiology (B.S), Shahid Beheshti Medical University, Iran
- Autumn 2008 **Public Health Principles in oncology**, for students of raditherapy (B.S), Shahid Beheshti University of Medical Science , Iran
- Autumn 2008- **Topics in Oncology**, for Radiation Oncology Residents, Shahid Beheshti Medical University, Iran
- Spring 2008 Curriculum writing, **Psychology in Oncology** as a M.S course, Shahid Beheshti Medical University, Iran
- Spring 2008 Curriculum writing, **Nutrition in Oncology** as a M.S course, Shahid Beheshti Medical University, Iran
- Spring 2008 Curriculum writing, **Nursing in Oncology** as a M.S course, Shahid Beheshti Medical University, Iran
- Spring 2008 Curriculum writing, **Nursing in Oncology** as a M.S course, Shahid Beheshti Medical University, Iran
- Spring2018 Scientific Secretary of National Short Course Training on "**Supportive and Palliative care in Cancer**" for Physicians (May-August 2018, Iran)

PUBLICATIONS

Book and Health policy documents and standards

- Cancer in Iran (Editor and main author), by Cancer Research Center, Tehran, Iran, 2008
- Food born Disease and Public Health (One Chapter), National Academy of Science, USA, 2008
- Document of “National Cancer Control Program”, MOH, 2017
- Document for development of “National Cancer Care Network”, MOH, 2018
- National Practice Guidelines for cancer diagnosis and treatment, MOH, 2016-2020
- Professional Education Curriculum for Palliative care in cancer, MOH, 2018
- National guideline for home based palliative care, MOH, 2020

Journal Publications

	Title	Journal	Year
1	Human Papillomavirus Infection, p53 Overexpression and Histopathologic Characteristics in Colorectal Cancer	Govaresh	2006
2	Sphincter Preservation and Pathologic Response in Rectal Cancer Undergoing Neoadjuvant Chemoradiation with and without Oxaliplatin According to Thymidilate Synthase (TS) Expression	Govaresh	2006
3	Expression of epidermal growth factor receptor as a predictive factor for rectal cancer	Arch Iran Med.	2007
4	Clinical Manifestations and Treatment Results of Patients with Cervical Cancer: A Report from Iran	Iran J Cancer Prev.	2009
5	Comparison of colon and rectum cancer: survival and prognostic factors	Gastroenterology and Hepatology from Bed to Bench	2010
6	Survival rate of breast cancer based on geographical variation in Iran, a national study.	Iran Red Crescent Med J.	2012
7	Cancerogenesis in colorectal neoplasms: Evidence from early onset colorectal cancer	Clinical Cancer Investigation Journal	2012
8	The Validating Study of Adjuvant Online Using Iranian Breast Cancer Data	Reports of Radiotherapy and Oncology	2013
9	Attitude of cancer patients toward diagnosis disclosure and their preference for clinical decision-making: a national survey.	Arch Iran Med.	2014
10	Situation analysis of the National Comprehensive Cancer Control Program (2013) in the I. R. of Iran;	Arch Iran Med.	2014

	Title	Journal	Year
	assessment and recommendations based on the IAEA imPACT mission.		
11	Effectiveness of Group Meta-Cognitive Therapy on Depression and Ruminatin in Women with Breast Cancer	Journal of Social Issues & Humanities	2014
12	The Effectiveness of Group Metacognition Treatment on Metacognition Beliefs of Women with Breast Cancer	Iranian Journal of Cognition and Education	2014
13	Comparison of Effectiveness of the Metacognition Treatment and the Mindfulness-Based Stress Reductin Treatment on Global and Specific Life Quality of Women with Breast Cancer	Iran J Cancer Prev.	2014
14	The effect of rehabilitation method based on Existential Approach and Olson's model on Marital Satisfaction	Iranian Rehabilitation Journal	2014
15	Spatial analysis of common gastrointestinal tract cancers in counties of Iran.	Asian Pac J Cancer Prev.	2015
16	Do Cancer Patients Prefer to Know the Diagnosis? A Descriptive Study Among Iranian Patients.	Iran J Psychiatry Behav Sci.	2015
17	Assessment of a Hospital Palliative Care Unit (HPCU) for Cancer Patients; A Conceptual Framework.	Indian J Palliat Care.	2015
18	Breast Cancer Trend in Iran from 2000 to 2009 and Prediction till 2020 using a Trend Analysis Method.	Asian Pac J Cancer Prev.	2016
19	Developing a WebGIS for Geo-Visualization of Cancer.	Iran J Cancer Prev.	2016
20	Trends in gastrointestinal cancer incidence in Iran, 2001-2010: a joinpoint analysis.	Epidemiol Health.	2016
21	Estimating Completeness of Cancer Registration in Iran with Capture-Recapture Methods.	Asian Pac J Cancer Prev.	2016
22	Exploring neighborhood inequality in female breast cancer incidence in Tehran using Bayesian spatial models and a spatial scan statistic.	Epidemiol Health.	2017
23	Space-time Analysis of Breast Cancer and Its Late-stage Cases among Iranian Women.	Iran J Public Health.	2017
24	Analysis of Cancer Incidence and Mortality in Iran Using Joinpoint Regression Analysis	Iran Red Crescent Med J.	2017
25	Spatial Inequalities in the Incidence of Colorectal Cancer and Associated Factors in the Neighborhoods of Tehran, Iran: Bayesian Spatial Models.	J Prev Med Public Health.	2018
26	Central Asia and East Europe Trial Group.	Int J Gynecology Cancer.	2018
27	Breast Cancer in Iran: levels, Variations and	Community Health;	2018

	Correlates		
28	The Incidence of Deep Vein Thrombosis in Breast Cancer Patients Receiving Outpatient Cancer Therapy in Iran	Tanaffos journal	2019
29	Determination of effective factors on geographic distribution of the incidence of colorectal cancer in Tehran using geographically weighted Poisson regression model	Medical Journal of the Islamic Republic of Iran	2019
30	Cancer incidence in Iran in 2014: Results of the Iranian National Population-based Cancer Registry	Cancer Epidemiology	2019
31	COVID19 Prevention & Care; A Cancer Specific Guideline.	Archives of Iranian Medicine	2020
32	Nutritional Status in Patients with Esophageal Cancer Receiving Chemoradiation and Assessing the Efficacy of Usual Care for Nutritional Managements	Asian Pacific Journal of Cancer Prevention	2020
33	Cost-Effectiveness Analysis of Colorectal Cancer Screening: A Systematic Review	Risk Management Healthcare Policy	2020
34	Population or family history based BRCA gene tests of breast cancer? A systematic review of economic evaluations	Hereditary Cancer in Clinical Practice	2021
35	Routine COVID-19 testing may not be necessary for most cancer patients.	Scientific Reports	2021
36	Comprehensive assessment of nutritional status and nutritional-related complications in newly diagnosed esophageal cancer patients: A cross-sectional study	Clinical Nutrition	2021
37	Bladder Cancer Incidence in Iran: Results of the Iranian National Population-Based Cancer Registry from 2014 to 2016	Urology Journal	2021
38	Mothers' preferences and willingness-to-pay for human papillomavirus vaccines in Iran: A discrete choice experiment study	Preventive Medicine Reports	2021
39	Cancer in Iran 2008 to 2025: Recent incidence trends and short-term predictions of the future burden	International Journal of Cancer	2021

Books

1. Jönsson B, Kobelt G, Motlagh A, Wilking U & Wilking N. An assessment of breast cancer and its management in Iran. IHE report 2019:3, IHE: Lund, Sweden.

Abstracts

1. Mismatch repair proteins and clinicopathologic factors in colorectal cancer ([Annals of Oncology](#), volume 18, 2007 supplement 6)
2. Two pathways of carcinogenesis in patients with colorectal cancer less than 45 years old ([Annals of Oncology](#), volume 18, 2007 supplement 6)
3. Can pathologic response predict the outcome of patients with locally advanced rectal cancer treated with neoadjuvant chemoradiation? ([Annals of Oncology](#), volume 18, 2007 supplement 6)
4. Cancer registry in Iran: Epidemiology of gastrointestinal cancer, ([Annals of Oncology](#), volume 18, 2007 supplement 6)
5. Human papillomavirus (HPV) infection , *p53* overexpression and histopathologic factors in colorectal cancer , ([Annals of Oncology](#), volume 17, 2006 supplement 6)
6. Sphincter preservation and pathologic response in rectal cancer undergoing neoadjuvant chemoradiation with and without oxaliplatin according to TS expression, ([Annals of Oncology](#), volume 17, 2006 supplement 6)
7. Pathology Report Quality and Clinical Decision Making for Patients with Gastric Cancer , ([Annals of Oncology](#), volume 21, 2010 supplement ...)
8. Pathology Report Quality and Clinical Decision Making for Patients with Colorectal Cancer , ([Annals of Oncology](#), volume 21, 2010 supplement ...)

POSTER PRESENTATIONS

1. Body mass index and clinicopathologic characteristic in breast cancer, ([4th annual congress of Iranian Cancer Association](#), 23-25 October 2009)
2. Clinical manifestations and treatment results of patients with cervical cancer: A report from Iran, ([20th Asia Pacific Cancer Conference](#), 12-14 November 2009, Japan)

3. Behavioral and psychiatric problems in children with cancer and their care givers, ([20th Asia Pacific Cancer Conference](#), 12-14 November 2009, Japan)
4. Two pathways of carcinogenesis in patients with colorectal cancer less than 45 years old (2007, [World Congress on Gastrointestinal cancer](#), 27-30 June, 2007: Barcelona, Spain) and ([ECCO 14](#), 14th European Cancer Conference 23-27 September, 2007: Barcelona, Spain)
5. Cancer registry in Iran: Epidemiology of gastrointestinal cancer, (2007, [World Congress on Gastrointestinal cancer](#), 27-30 June, 2007: Barcelona, Spain)
6. Mismatch repair proteins and clinicopathologic factors in colorectal cancer (2007, [World Congress on Gastrointestinal cancer](#), 27-30 June, 2007: Barcelona, Spain) and ([ECCO 14](#), 14th European Cancer Conference 23-27 September, 2007: Barcelona, Spain)
7. Can pathologic response predict the outcome of patients with locally advanced rectal cancer treated with neoadjuvant chemoradiation? (2007, [World Congress on Gastrointestinal cancer](#), 27-30 June, 2007: Barcelona, Spain)
8. Cancer registry in Iran ([ECCO 14](#), 14th European Cancer Conference 23-27 September, 2007: Barcelona, Spain)
9. Palliative care in cervical cancer ([Gynecology Oncology Congress](#), 2-4 February, 2007: Tehran, Iran)
10. Clinicopathologic manifestation and treatment results of patients with breast cancer in Jorjiani Cancer Center, ([2nd International Breast cancer congress](#), 23-25 February, 2007: Tehran, Iran)
11. Human papillomavirus (HPV) infection , *p53* overexpression and histopathologic factors in colorectal cancer , ([World Congress on Gastrointestinal cancer](#), 28 June-July 1, 2006: Barcelona, Spain) and ([ECCO 14](#), 14th European Cancer Conference 23-27 September , 2007: Barcelona, Spain)
12. Sphincter preservation and pathologic response in rectal cancer undergoing neoadjuvant chemoradiation with and without oxaliplatin according to TS expression, ([World Congress on Gastrointestinal cancer](#), 28 June-July 1, 2006: Barcelona, Spain)
13. Pathology Report Quality and Clinical Decision Making for Patients with Gastric Cancer , ([World Congress on Gastrointestinal cancer](#), 30 June- 4 July, 2010: Barcelona, Spain)
14. Pathology Report Quality and Clinical Decision Making for Patients with Colorectal Cancer , ([World Congress on Gastrointestinal cancer](#), 30 June- 4 July, 2010: Barcelona, Spain)
15. BMI and presentation of colorectal cancer patients: clinical and pathology perspective ([World Congress on Gastrointestinal cancer](#), 22-25 June-, 2011: Barcelona, Spain)

16. Trends of clinical and pathologic characteristics of gastric cancer patients during two periods of times in Iran: 1996-2000 and 2001-2005 ([World Congress on Gastrointestinal cancer](#), 22-25 June-, 2011: Barcelona, Spain)

ORAL PRESENTATIONS

1. Expression of Epidermal Growth Factor Receptor as a Predictive Factor for Rectal Cancer, ([1st congress of Iranian Cancer Association](#), 20-22 December, 2005: Tehran, Iran)
2. Risk of Brain Metastases in patient with breast cancer according to HER-2 status, ([2nd congress of Iranian Cancer Association](#), 2-4 November, 2006: Tehran, Iran) and ([2nd International Breast cancer congress](#), 23-25 February, 2007: Tehran, Iran)
3. Medulloblastoma: Clinical presentation and treatment results of 57 patients, ([Neuro Oncology Congress](#), 22-24 December, 2006: Tehran, Iran)
4. Cervical cancer: A report of Jorjiani Cancer Center between 1994 to 2002 ([Gynecology Oncology Congress](#), 2-4 February, 2007: Tehran, Iran)
5. Cause of pain in cancer patients ([workshop for Residents "Supportive and Palliative care in Cancer"](#), February 19-20, 2008, Tehran, Iran)
6. Fatigue in cancer patients ([workshop for Residents "Supportive and Palliative care in Cancer"](#), February 19-20, 2008, Tehran, Iran)
7. Adjuvant Chemotherapy in Breast Cancer ([Breast cancer seminar](#), Shohada-ye Tajrish Hospital, February, 2008, Tehran, Iran)
8. Adjuvant therapy in Breast Cancer ([Breast cancer seminars for gynecologists](#), winter 2008, Tehran, Iran)
9. Epidemiology of head and neck cancers in Iran, ([First congress on head and neck cancers](#), Shahid Beheshti University of Medical Science , 15-16 Jan 2009, Tehran, Iran)
10. Molecular biology of head and neck cancers, ([First congress on head and neck cancers](#), Shahid Beheshti University of Medical Science , 15-16 Jan 2009, Tehran, Iran)
11. Evaluation of quality of life in head and neck cancers, ([First congress on head and neck cancers](#), Shahid Beheshti University of Medical Science , 15-16 Jan 2009, Tehran, Iran)
12. Screening of high risk Iranian population for colorectal cancer, ([National Academy of Science](#), November 17, 2007, Washington DC, USA)
13. Principles of hormone therapy in prostate cancer, ([32th congress of Iranian Surgeons Association](#), 4-8 May 2009, Tehran Iran)

14. The role of spiritual care and measurements of spirituality in comprehensive cancer care in Iran, ([2nd Congress on Supportive and Palliative Care in Cancer](#), 22-24 April 2009, Tehran, Iran)
15. The role of NGOs as a part of national network in comprehensive cancer care in Iran, ([2nd Congress on Supportive and Palliative Care in Cancer](#), 22-24 April 2009, Tehran, Iran)
16. Behavioral and psychiatric problems in children with cancer and their care givers, ([2nd Congress on Supportive and Palliative Care in Cancer](#), 22-24 April 2009, Tehran, Iran)
17. Comprehensive cancer care models, ([1st Congress on Supportive and Palliative care in Cancer](#) April 17, 2008, Tehran, Iran)
18. Burnout in Oncologists, ([1st Congress on Supportive and Palliative care in Cancer](#) April 17, 2008, Tehran, Iran)
19. End of life care, ([1st Congress on Supportive and Palliative care in Cancer](#) April 17, 2008, Tehran, Iran)
20. Body mass index and clinicopathologic characteristic in breast cancer, ([4th annual congress of Iranian Cancer Association](#), 23-25 October 2008, Tehran, Iran)
21. Role of psycho-social care in cancer patients, Panel Discussion ([2nd Congress on Supportive and Palliative Care in Cancer](#), 22-24 April 2009, Tehran, Iran)
22. Prevalence, types and etiology of cancer pain, Cancer pain management workshop, ([2nd Congress on Supportive and Palliative Care in Cancer](#), 22-24 April 2009, Tehran, Iran)
23. Adjuvant drug therapy and non-medical treatment in cancer pain, Cancer pain management workshop, ([2nd Congress on Supportive and Palliative Care in Cancer](#), 22-24 April 2009, Tehran, Iran)
24. Burnout predisposing factors, Burnout management in cancer caregivers, ([2nd Congress on Supportive and Palliative Care in Cancer](#), 22-24 April 2009, Tehran, Iran)
25. Principles of cancer pain management, Cancer pain management workshop, ([5th annual congress of Iranian Cancer Association](#), 18-20 October 2009, Tehran, Iran)
26. Management of fatigue in cancer patients, Cancer side effects workshop, ([5th annual congress of Iranian Cancer Association](#), 18-20 October 2009, Tehran, Iran)
27. Survival estimation of Cancer patients, End of life workshop, ([5th annual congress of Iranian Cancer Association](#), 18-20 October 2009, Tehran, Iran)

28. Principles of radiotherapy in gastric cancer, ([Gastric cancer symposium](#), Modares Hospital, 4 June 2009, Tehran, Iran)
29. Malignant lumbo-sacral plexopathy management, ([4th International Gynecology Congress](#), May 2010, Tehran, Iran)
30. Principles of adjuvant hormone therapy in breast cancer, ([Breast seminar, Shohada-e-Tajrish Hoepital](#), October 2010, Tehran, Iran)
31. Principles of follow up of breast cancer patients, ([Breast seminar, Shohada-e-Tajrish Hoepital](#), October 2010, Tehran, Iran)
32. Neuro-endocrine tumors (NETs) epidemiology: Comparative study between Iran and world data ([Neuro-endocrine tumors \(NETs\) Congress](#), October 2010, Tehran, Iran)
33. Health Policy: Cancer and Inequalities, ([6th Annual Congress of Iranian Cancer Association](#), November 2010, Tehran, Iran)
34. Social determinant of cancer: Preliminary report of a national survey in Iran, ([3rd Congress on Supportive and Palliative Care in Cancer](#), 5-7 January 2011, Tehran, Iran)
35. Prevalence, dimensions and predisposing factors in cancer caregivers: Preliminary report of a national survey in Iran, ([3rd Congress on Supportive and Palliative Care in Cancer](#), 5-7 January 2011, Tehran, Iran)
36. Pathology Report Quality and Clinical Decision Making for Patients with Breast Cancer, ([6th International Breast Cancer Congress](#), 22-24 February, 2011: Tehran, Iran)

RESEARCH PROJECTS

1. Investigation of Human Papilloma Virus (HPV) infection, p53 overexpression and their relation to histopathologic factors in esophageal cancer in Iran
2. Evaluation of prevalence and contributing factors of burnout among Iranian oncologist and cancer caregivers
3. Evaluation of prevalence and contributing factors of social determinants and distress among Iranian patients with cancer
4. Phase II Study of Paclitaxel Chemotherapy as a single agent for Advanced Gastric Carcinoma

5. Designing radioactive esophageal stent and Investigation of its feasibility in treatment of recurrent or metastatic esophageal cancer
6. Designing **CRABCARE** as a web-based software (crabcare.org) for registration of clinical and bio-pathology information of cancers
7. Designing a software and website for calculation of cancer epidemiologic data of Iran
8. Estimation of Breast cancer prevalence and survival according to cancer registry data in Iran
9. Comparison of survival and clinicopathologic characteristics of basaloid with non-basaloid type breast cancer
10. Comparison of survival and clinicopathologic characteristics of triple negative with non- triple negative breast cancer
11. Evaluation of TS and ERCC1 m RNA status in gastro-intestinal cancers and their relation with clinical and pathology characteristics
12. Modeling for Prediction of breast cancer recurrence based on a set of clinical and pathology characteristics: A possible alternative for Oncotype Dx

SOCIETY MEMBERSHIP

2019 - Now	Member of WHO technical committee or cervical cancer elimination
2011- Now	Member of Steering Committee of National Cancer Research Network, Iran
2011	Founder Member of " Iranian Comprehensive Cancer Care Society (ICCCS) "
2010	Founder Member of " Iran National Comprehensive Cancer Network (INCCN) "
2009 - Now	Member of " Policy making for pain committee " in Shahid Beheshti Medical University
2009 - 2013	Member of " Communication Skills Committee " in Educational Development Center of Shahid Beheshti University of Medical Science, Iran
2007	Founder Member of " Iranian Association for Support and Education of Patients with Breast Cancer " (An NGO)
2007 – Now	Member of " Iranian Association for Medical Education "
2003 - Now	Member of " Iranian Cancer Association "
2002 – Now	Member of " Iranian Radiation Oncology Society "
